- Come here often?
- No, actually this is my first time. What about you?
- Same for me. But I've been practising yoga for quite a long time.
- I used to go to yoga classes in different part of the city but since I 've just moved here I decided to look for a new place. I lived in Morely before.
- You're kidding Well, that was ages ago. So, when did you move here?
- A few weeks ago. I wanted to cut down on time wasted in traffic jams. I hate getting stuck on my way home.
- So, I guess you also work near here?
- CapsLOck.
- No way?! You work for CapsLOck?
- What a coincedence! What department are you in?
- Purchasing. And you?
- Accounting . So, how long have you worked for Caps LOck ?
- Almost three months.
- Really?! We must have been recruited at the same time. How come we've never met? And how do you like it there?
- I love it!
- I must say I'm really keen on the company culture
- I was particularly impressed with free breakfasts when I first came here.
- I never have breakfast at home these days.
- It definitely saves time in the morning and I'm not an early bird !
- Do you have a car?
- Nope. I never got my driving licence.
- Too bad - I was hoping I could get hassle-free rides to work.
- Well, provided you have a bike you could join me cycling every morning. It only takes 15 minutes to get there from my place.
- Yeah, Why not!
